

Vetri Community Partnership is seeking a motivated and creative Part Time Instructor with a passion for healthy food, healthy living, and encouraging children and families to become educated food consumers.

The Mobile Teaching Kitchen visits Vetri Community partner schools, community centers, health facilities, farmers markets, and community events regularly. This program partners specifically with local organizations providing food access such as the Food Trust and Share Food Program to connect the community with resources that provide real, fresh food. Through hands on cooking demonstrations, we empower participants with usable skills, techniques, knowledge, and confidence to prepare fresh and healthy ingredients on their own.

Instructors Will:

- Lead three to five Mobile Teaching Kitchen shifts per week (20 – 25 hours weekly) Mobile Teaching Kitchen visits are scheduled Monday through Saturday. Shifts range from 4 to 8 hours including time for travel to and from the location, lesson instruction, and setting and breaking down.
- Instruct cooking demonstrations and classes with groups of students, families, and community members. Demonstration recipes are built to be seasonal, include cooking techniques, and tips on proper storage.
- Act as an ambassador of Vetri Community Partnership in the community representing our company beliefs and best practices at all times.
- Be versatile in instruction style in regards to participants': cooking experience, ingredient and equipment knowledge, education level, learning style, and cultural background
- Be adaptable to the environment in which we set up including both inside and outside locations.
- Be responsible for driving the truck, fueling with gas, and maintaining overall cleanliness of the vehicle's equipment during each shift.
- Communicate with site liaisons at each visit location for day of visit logistics.
- Valid driver's license and good driving record required.
- Complete necessary clearances PA Criminal Background, Child Abuse Background Check, and FBI Fingerprinting

Must possess basic food and cooking knowledge with a passion for healthy eating and living. An enthusiastic personality with experience in a teaching, leadership, or classroom management with 1 years' experience in instruction preferred. Hourly Rate is \$12 - \$15 dollars an hour based on experience. We are seeking candidates with an entrepreneurial spirit and willingness to offer feedback to help us continually develop the new program.

To apply, please send the following to Info@vetricommunity.org with the subject line Mobile Teaching Kitchen Instructor
