

Vetri Community Partnership Semester Intern

Vetri Community Partnership is seeking talented individual who craves learning new skills and isn't afraid to help tackle big projects. As an intern you will get to work with a variety of our staff, while working on real projects that will help us grow.

Who we are:

Vetri Community Partnership empowers children and families to lead healthy lives through fresh food, hands-on experiences and education. We want to break the cycle of poor eating habits that get passed down from generation to generation.

Who you are:

A college junior or senior that is a team player, and is also seeking work experience in a growing non-profit organization. This would be a commitment of a minimum of 12 hours a week and a maximum of 30 hours.

You have an interest in organizational communications and promotion, fund raising, and program implementation.

You have passion for healthy foods, healthy children, and healthy communities.

This individual also has strong computer literacy skills, especially in the Microsoft Suite, and a willingness to learn donor databases and social media scheduling platforms. A strong attention to detail, excellent organization and time management skills, and an ability to prioritize multiple projects is necessary for success.

Vetri Community Partnership programs work with students in urban communities. Because we work with children you will be required to complete a PA Child Abuse Clearance, PA Criminal Background Check, and FBI fingerprinting.

Do you want to help us to educate and empower? If you are interested in applying, please send a resume and cover letter to hr@vetricommunity.org subject line "intern application".
