

## **EAT360 Volunteer Opportunity**

### **Volunteer Role**

#### **Lunchroom Volunteers**

We hope to encourage positive attitudes around whole foods, and simply prepared vegetables. EAT360 addresses students in the lunchroom through quarterly Plant-Forward Food Tasting Days. These days turn the cafeteria into a celebration, complete with a delicious 2 oz. tasting portion of a dish created by our EAT360 team. We invite all students to try our tasting along with their regularly scheduled school lunch.

Volunteers can join the fun as well, serving the students as they find their seats in the cafeteria. Our staff will support volunteer food samplers as they engage with students. This is a great opportunity for 1-2 volunteers to join our mission!
